Group History Tours

Experience The Legend.

Discover all of the incredible moments in history through an in-depth, docent-led walking tour of the Victorian building and gardens. All tours are for a minimum of 20 guests and last approximately 60 minutes.

Planners can choose from the classic Legendary Tour or Haunted Happenings Tour, where guests learn the official account of Kate Morgan's 1892 visit and why her spirit never left the resort. Groups of 40 or more can also offer the option of both.

We can accommodate groups up to 100 people, divided into groups of 20 with one docent per group. The tours run concurrently so they will have the same time.

Advance reservations and payment are required to secure the date and time of your tour. Please plan to arrive 10 minutes prior in the Ice House Museum, located in Wagers Row along the Main Drive.

Pricing: \$30 per person (20 person minimum)

You can also up-level your tour experience by planning a post-tour cocktail reception in the Ice House Museum or Legacy Court. Check with your Event Manager for details.

To book your group tour, contact Gina Petrone, Heritage Manager, at 619.522.8040 or gina.petrone@hoteldel.com
