

Engage your Ocean Explorers with a day of learning and fun designed to nurture their love for the beautiful sea. Kids ages 5-12 will dive into a spectacular underwater world filled with amazing sea creatures, creative activities, and hands-on adventures inside our living classroom and outside on the beach.

A portion of the proceeds benefits Birch Aquarium at Scripps Institution of Oceanography at UC San Diego and its vital efforts to promote ocean conservation.

MONDAY UNDER THE SEA

Go below the surface and spend the day exploring the world beyond our shores. Discover the incredible creatures that live in the deep blue sea and learn how they thrive in its mysterious depths.

TUESDAY OCEAN SCIENCE

Ocean science is so fun that your children won't even realize how much they are learning. Our experienced team will guide them through hands-on experiments and activities that teach the science behind the ocean and encourage their curiosity.

WEDNESDAY SHARKS!

Dive into the underwater world of sharks and find out how important they really are. Through fun games and activities, learn how sharks help the ocean and the world around us.

THURSDAY ONE OCEAN

Protecting our oceans is vital to our everyday life, and we can all make a difference. Join us in learning how we can preserve our beautiful waters and what it takes to keep those in it safe and thriving.

FRIDAY TIDEPOOLS

Tidepools are incredible ecosystems that are vital to the California coastline. Venture out to our very own Coronado tidepools and discover the amazing sea life that lives inside this mini world.

SATURDAY SEASHELLS

Grab your bucket and join us as we learn all about seashells, where they come from, and what lives inside. Spend the day hunting down the perfect shell and find out why they are so important to our shores.

SUNDAY BEACH OLYMPICS

Do you have what it takes to win gold? In this action-packed day, Beach Olympics provide the perfect excuse to rally your gang for some good, old-fashioned outdoor fun.

EXPLORERS NIGHT OUT ADVENTURES OF THE NIGHT

Experience our natural surroundings after dark. We will adventure and explore what happens at the beach when the sun goes down. Traverse the beach in search of sea life with a glow-in-the-dark twist.

Sign up at Ocean Explorers (at the Cabana Pool), reserve online, or call 619.522.8100

Full Day 9am to 4pm | \$195 per child, [includes lunch](#)
